STAGE EVENT REGISTRATION

It's time for us to get started on the stage presentations. Stage events are the major highlights and attractions of **Indiafest** and a huge crowd pleaser. It is the enthusiasm and hard work of choreographers, parents, participants, and volunteers that make the stage presentations such a success year after year.

Registration for Stage Events is now open. We invite you to '**Sign Up**' at the icon above to register. As always, our plan is to highlight this year's theme through traditional, folk, classical, semi classical, appropriate movie songs, stage attire and props. So let's get on board and put together yet another fun-filled and entertaining stage program.

All group leaders and choreographers are requested to make sure their group is signed up and, either by e-mail or phone, let us know the details of your chosen type of dance. This is to ensure that we do not have duplicates of the same or similar item. Please be mindful that inappropriate songs, costumes and dance moves, are not acceptable. The purpose and intent of **Indiafest** is to portray the best and positive aspects of our culture for our guests but more so, for our children. Participants should be at least 5 years of age. Due to scheduling complexities each participant may perform in a maximum of 2 items only.
